Sarah,

Thanks for getting back to me and frankly, I should have been a little more sensitive to your situation with Gold King issue. I am sure you have your hands very full.

That said, if Friday works for you, how is 10 AM? I'll call you. If something comes up regarding the mine, let me know and we'll work around it,

Look forward to speaking.

Regards,

Doug

Hi Doug – Sorry I haven't had a chance to call you back. It's been a busy few days here as I'm helping to respond to the Gold King Mine release. Are you available this Friday, 8/14? I think the end of the week should be calmer for me, and right now I'm free anytime that day if it works for you.

Thanks, and I look forward to talking to you,

Sarah

Sarah,

Hi. Doug Henston here. I called and left a voice message for you last week and wanted to follow up with an email.

I was given your name by a mutual friend/peer, Bob Ward. I am currently working on understanding the market with water utilities and their needs/desires with respect to recycled water. When I asked Bob who at the EPA would be a good contact for the utilities in the mountain states, he mentioned you.

I know you have a busy schedule, but if you could let me know when you have time to speak, I am happy to make myself available to call.

I look forward to speaking.

Regards,

Doug
